Rev. No.: 00 Rev. Date: 00

Page 1 of 1

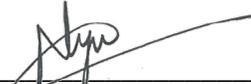

No activity in EFS logistics (Express Forwarding Services) is more important than ensuring that practical and effective measures are in place to protect the health and safety of our employees, and contractors. In implementing this policy, EFS Logistics not only complies with latest relevant legislation but also encourages other initiatives for protecting the health & safety of those affected by its activities.

To achieve this, EFS Logistics specific objectives are to provide safe and healthy working conditions for all employees, and to maintain the highest safety standards in relation to systems of work and equipment operations. Furthermore, through training, supervision and provision of information, the company is committed to ensuring a safe place of work for both EFS Logistics employees and all others who come into contact with them.

EFS Logistics through its commitment to this policy:-

- Seeks to avoid harm to health, or injury to employees and others, or damage to property from its operations.
- Recognizes the importance of the involvement and commitment of senior management and responsibility of each, and every employee, in the application of this policy. Managers, supervisors and employees at all levels are held accountable for their health, safety and environmental performance.
- Acknowledges the principle that all accidents can be prevented and actively promotes, among all those associated with its activities, the highest standards of safety awareness and performance.
- Applies appropriate measures to minimize any adverse effects of its operations on the environment.
- Observes all relevant legal requirements and reviewed on frequently.
- Maintains an effective system for monitoring and reviewing health & safety performance.
- Provides an effective system of communication & Training on safety related matters.
- Carries out health and safety audits.
- In order to maintain our excellent safety record, I ask you to read this statement carefully and assist me to achieve our prime objective of making Company a safe, healthy, environmentally aware and successful company in which to work.
